

At **Klausing Group**, our highly trained and certified staff members have been with us a while. That means they'll be with you a while, too, providing consistency and continuity in your commercial property landscape needs.

In a business where staff turnover typically is high, we have a retention rate of more than 95 percent. And, we make your job easier by providing one point of contact for all your needs.

Call us today at 859.254.0762.

We're your landscape solutions team.
